Connecting Global Markets

About Us

Omkar International is a leading wholesaler, exporter, and supplier of high-quality Indian Spices, vegetable, fruits, Oil Seeds and other Agricultural Product .

I am adept at building and maintaining strong relationships with suppliers, customers, and partners across the globe, fostering mutual growth and success.

Our robust supply chain management system and partnerships with trusted logistics providers guarantee seamless and hassle-free transportation

Why Choose us?

Seamless Global Supply Chain

With a well-established logistics network, we guarantee smooth, timely, and hassle-free delivery across the globe, ensuring our partners get the best service, always.

Competitive Pricing & Transparency

We believe in fair pricing and complete transparency in our business practices, ensuring long-term relationships built on trust and mutual growth.

Customized Packaging & Bulk Supply

Understanding diverse market needs, we offer flexible packaging options and bulk supply solutions tailored to customer requirements.

Global Presence, Local Trust

Omkar International connects Indian agricultural excellence with international markets, offering premium products while maintaining a commitment to quality, ethics, and customer satisfaction

Diverse Product Portfolio

From premium Basmati Rice (1121 & 1509) to hand-picked spices like Cumin, Coriander, and Cardamom, along with fresh vegetables, fruits, oilseeds, and specialty products - we offer a rich selection to meet global demands.

Uncompromised Quality Assurance

We follow strict quality control at every stage—from sourcing to packaging—to ensure our products meet international safety, purity, and freshness standards.

Ethical & Sustainable Sourcing

We collaborate with trusted farmers and suppliers who practice eco-friendly and sustainable agriculture, ensuring long-term benefits for communities and the environment.
